24 PAGES.-HONOLULU, TERRITORY OF HAWAII, SATURDAY, NOV. 16, 1912. -24 PAGES.

I have been awny since the latter art of March, when I left for the driners' concluve at Los Angeles," and Mr. McCandless. Of course the oys have told you all about the drive at Los Angeles, it was the great a reception I ever enjoyed. Tacy may everwhelmed us with kind ma. After the conclave I went to Sav mancisco, and have spent the seven onthis since in California, most of a time at the works of the California Hawaiian Company, of which I and premident, at the Ralston Divid:

the Frenident, at the Raiston Dividin Pincer county.
Cutting Through Ridges.

We are driving a tunnel through the mountain to develop an ancient river bed that follows the ridge, a continuation of the river that run: through Porest Mill Divide, where the Brecce & Wheeler, the Dardanelle:
